

Directions to 121 S. Estes 203 C OFFICE of Integral Counseling Services.

Enter the parking lot to Professional Village at 121 S. Estes Drive that (across from Wake Radiology). There will be a long building on your right and one on your left. Drive through the lot until you go under the overpass crosswalk where offices are also located. Once you pass this overpass park to your left. Look to your left at the back side of that building and you will see the Rainbow Soccer office on the ground floor. There is a list of practitioners on the wall there. Just to the right of that is a door marked 103A. Enter this door and go upstairs to 203 C.

If for any reason you cannot find it, or the door downstairs has gotten locked by someone thinking they were the last one out just call my number or text me and I will come open it 919 618-4919.
